Boys' Conference Thursday and Friday

Thursday and Friday of this week will witness in Strathmore a Boys' Work Conference, at which will be present delegates from every part of the Western Bow Valley.

The programme of the conference, which is a very interesting one, was published in last issue of the Standard.

A feature of the convention will be an address by Mr. E. Taylor, Secretary of Boys' Work for the Dominion.

Parents and adults are invited to attend the sessions of the Conference and every boy is invited.

HALLOWEEN FROLIC

Hallowe'en comes round again on Friday. This is the big night for the boys, and everything movable had better be well fixed down or well guarded.

Hallowe'en will be celebrated largely by a concert to be given in the Memorial Hall by the Gladys Attree dancers, followed by a dance. The quality of Miss Attree's company and pupils is too well known to need any further mention here, and we can only say that those who fail to turn out on Hallowe'en Night and take in this concert will be denying themselves an enjoyable evening.

ALBERTA STOCK WINS AGAIN

THRASHING TO FINISH SOON

The end of this week will see thrashing finished with the exception of a few stragglers which have a few days longer run than others.

Some outfits had finished up a week ago.

The yield continues to average between twenty and thirty-five bushels on summerfallow and proportionately less on stubble and spring plowing.

A lot of grain is going out by the railroads, and a supply of feed is being accumulated. The price is somewhat lower than at this time last week, but still very satisfactory.

Fire at Iricana

Fire which occurred last Tuesday afternoon did a great amount of damage at the farm of Mr. Percy Hallam, one mile north of Iricana.

The fire broke out in the barn, and totally destroyed the barn, also 600 bushels of oats, and a supply of feed that was intended to last till next fall. A considerable amount of machinery, also pigpens, etc., was destroyed. The loss is estimated at \$2,000, and is partially covered by insurance.

The cause of the fire is unknown, as no one had been in the barn since the early morning. The neighbors gave valuable assistance in fighting the fire.

I wish to sincerely thank my friends for the sympathy shown in my loss by fire, and for the many offers of feed, etc., made.

Veterans Meet

A meeting of Strathmore Great War Veterans was held in the Memorial Hall on Wednesday evening. President James Gunn in the chair.

It was stated that the \$2500 mortgage, contracted three years ago, comes due next month, and as the mortgagee wishes his money, a effort will be made to raise it. It had been hoped that the return from this year's stampede would have reduced this debt, but the return from this was disappointing, as the report published some time ago shows.

Armistice Day is again approaching, and the secretary was instructed to get in touch with the local clergyman, with the object of holding a united service in the Memorial Hall, as has been done in previous years.

With regard to the Memorial Tablet, it was stated that there was at present a sum of about \$200 in the bank towards this purpose, and that there was an excellent prospect of a sum of money sufficient to complete this memorial being available at an early date.

It was decided to hold a social in the near future in honour of a comrade who has recently married.

The executive committee have been active this fall, and have promoted several dances, the receipts from which have gone to the Hall fund.

HARVEST THANKSGIVING SUPPER AND CONCERT

The annual Thanksgiving Supper and Concert was given in the Union Church on Monday evening. The supper put on by the members of the Ladies Aid was heartily enjoyed, and reflected much credit on the ladies.

The concert in the evening, under the leadership of Mr. C. A. Lydiatt, was very good indeed. The choir rendered several pieces, and solos were given by Miss Margaret Watson, Misses G. H. Patrick, H. R. Wooster, C. A. Lydiatt, due to Mr. and Mrs. Wooster, violin solo by Miss Florence Garrett. All the items were heartily enjoyed. Short addresses were given by Rev. A. H. Howe, and Rev. A. D. Scott.

The members of the choir were as follows: Mesdames Bell, Todd, Wooster, Gilvin, Tompkins, Misses Garrett, Altman, and Cope, Messrs. Wooster, Robinson, Steinhilber, J. W. Cope, J. H. Cope, A. W. Gilvin, Geo. Anderson, Accompanists, Mrs. Rowe and Mrs. Bowdard.

CANADIANS RETURNING FROM UNITED STATES

Canadians to the number of 27,456 returned to Canada from the United States during the first half of the present fiscal year, according to Immigration Department figures. Of this number 25,141 were Canadian-born citizens, 2,422 were British subjects who had acquired domicile in Canada and later moved to the United States, and 1,713 naturalized Canadian citizens.

Rosebud Notes

The Ladies Aid of Rosebud United Church held their regular meeting on Wednesday afternoon last at the home of the retiring president, Mrs. H. N. Jones. The meeting was a busy one, as it was the annual election of officers. The new officers elected for the coming year are as follows: President, Mrs. Geo. Decker; Vice-president, Mrs. Geo. Goss; Secretary-Treasurer, Mrs. Chas. Rayburn. The Ladies discussed plans for raising money to reduce the church debt, and keep the members in the vesting. When the farmers' busy season is over they plan to hold a chicken supper at the church, possibly during Thanksgiving week. Another plan is to quilt comforters for any of the women of the district who have no time to do this for themselves. The charge will be reasonable, and if any are interested in this plan they may be assured that they will be helping a good cause. Particulars may be had from the new secretary, Mrs. Rayburn. There was a good attendance on Wednesday afternoon, and the meeting was thoroughly enjoyed. Mrs. Jones served a delicious lunch. The next meeting will be held at the church on Saturday, November 1st. Lunch will be served.

The Rev. Mr. McNab of Calgary, conducted the services in Rosebud church on Sunday evening last, and gave a most interesting address. Mr. McNab will be here on Sunday evening next, and all the people of the district are earnestly requested to remember the date.

The Rosebud Tennis Club plan to hold sewing bees and social evenings during the coming season. The first one was held on Friday evening last at the home of Mrs. Thorne and was very much enjoyed.

On Thursday afternoon last Mrs. A. C. Scott invited the ladies of Rosebud to her home to discuss plans for a bridge club. This game is not played very extensively in the district, and it is the intention to give everyone an opportunity to learn. During the afternoon Mrs. Scott explained the rules, etc. of the game, and the ladies played one hand of bridge for practice.

Carseland Centre-shots

We hear from many quarters on weeks when the Standard has no news in the Carseland news. We will remind the readers of the Standard, who are interested in reading the Carseland news, that they can help very materially by sending in news, interest to the local correspondence, or direct to the Standard office. Cooperation along this line will be greatly appreciated by us.

Mr. T. H. Kruse sustained a very painful injury, which might have proven serious, when he became caught between the engine and separator roller, when backing into the latter preparatory to moving, resulting in injury to his left arm and his leg.

Many of the C.S.E.T. boys are planning on attending the conference at Strathmore this week. We feel that the boys' line will be very well kept, and are glad to see so many attend as possible.

Mr. N. A. Cool sustained an injury to her back last week, when a ladder upon which she was standing, slipped. At present she is able to walk around a little.

The U.F.W.A. will meet at Mrs. J. Nelson's next Thursday, October 30th. About fifteen friends of Mrs. C. F. Baker met last Friday afternoon at Mrs. N. A. Cool's. The afternoon was spent in social parlance, at the close of which a very delicious lunch was served by the hostess.

Master James Evans, eldest son of Mr. and Mrs. Campbell Evans lives in a very critical condition in Calgary hospital, having undergone an operation for appendicitis.

The attendance at Sunday school last Sunday, October 27th, reached the grand total of ninety seven. The Hatters are eight ahead in the membership contest, but the Cyclones say it's the final count that will tell the story. Mrs. Steadman and sister, mother and aunt of Mrs. G. B. Field, who have been visiting her for some weeks, left for their home in Minnesota last Tuesday.

The buildings being erected by Ben Cool are taking shape, and the place begins to look very much like a new home.

Born to Mr. and Mrs. Otto Repp last Wednesday, a son. No wonder Otto is wearing a smile that won't come off.

There were sixteen present and the meeting proved very interesting. Lunch was served by the hostess. The next meeting will be held at the home of Mrs. Vigor, on Thursday afternoon, October 30th. The meeting will be held every two weeks.

Dr. Huestis Speaks In Strathmore

Rev. Dr. Huestis, Secretary for Alberta and British Columbia of the Lord's Day Alliance of Canada, spoke in the Union Church on Friday evening last. He made, after his usual manner, an impressive presentation of the importance of the Sabbath as the keystone of civilization and dealt with other important matters pertaining to the question of Sabbath observance.

He declared that the proper observance of the day of rest and worship can be achieved finally, not of course, by legislation, but by a large work of education, and the instilling of a proper spirit in the hearts of our people.

The centre of gravity of the question has shifted from the matter of work to that of pleasure. The observance of Sunday for religious life when there is failure to observe Sunday religion goes. The matter of the appeal to the Privy Council from Manitoba concerning the Lord's Day Act, an appeal still pending, was brought on by some people of Manitoba wanted not necessary service, nor more business, but more pleasure. Where these people have succeeded as in industrial sections in B.C., we have our boys and girls. It is our responsibility. A prominent essayist and editor has written an article for Harper's Magazine, "The Prospects Of Our Grandchildren." These depend most upon our religion. Our biggest job is to help our boys and girls to grow up. The question about certain things done on Sunday is not at all "It This Wicked" But the question is—What are we going to do with Sunday? The "gasoline" question in Calgary, said the speaker, was in his judgment, merely playing politics, and seeking to embarrass the government. He cited the fine arrangement in Camrose, where one garage remains open each Sunday by rotation thus giving employees the day of rest.

The aims of the Lord's Day Alliance of Canada are: 1. To give people the Lord's Day to use as they will; 2. To inspire them to use it for rest and worship.

Golf Notes

The last ladies' event of the season was a one-club competition with handicaps, which was played last Saturday afternoon; the winning lady in the first flight was Mrs. Van Tighem, who duplicated her victory in the last one-club competition; in the second flight Mrs. Roland Hill, with a handicap of 22, and Mrs. S. Chamberlain, with a handicap of 26, tied for first place, and will probably decide the ownership of the prize before we go to press again.

It is interesting to note that the mid-iron is growing in favour, and the middle grade is building up its popularity as a solver of difficulties, and a medium for the approach shot. It is prophesied that the lady who has the courage to enter a one-club game armed solely with her trusty brassie and the facility to wield this club as well as she does her mid-iron, will undoubtedly have a distinct advantage over less courageous players. The Brier has been found to be a good all-around club, but, of course, will not cover the distance as a mid-iron, with such less a brassie.

On Sunday last a men's team match Captain ex. Vancouver, was closely contested and resulted as follows:
Captain's Team Vice-captain's Team
Van Tighem — 0 Dunn — 0
Macdonald — 1 Robinson — 0
Patrick — 1 Williams — 0
Tomkins — 0 Stockton — 0
Hutley — 4 Young — 0
W. Gray — 0 Stewart — 0

A mixed foursome competition will be played on Sunday next, November 2nd, followed by a club-tea, at the residence of the Hon. president, R. S. Stockton, Esq. Prizes are to be played for, presented by the vice-captains, Miss Watson and Dr. Robinson, and a representative turnout is expected. Members are requested to arrange their own foursomes and notify Mrs. Hutley by Thursday, October 28th, inclusive. Households and wives may not play as partners.

The winter competitions close on Saturday, November 1st.

Wedding

The house of Mr. and Mrs. Thos. Crawford was the scene of a very pretty wedding on Monday, October 27th, when their youngest daughter, Alice Gertrude, was united in marriage with Thomas Henry Milson, son of Mr. and Mrs. F. H. Milson, of Vancouver, B.C. Rev. A. H. Rowe performed the ceremony.

The bride, prettily gowned in Alice Blue crepe, trimmed with silver beads and ribbon, carried a bouquet of Opheila roses, and entered the room on the arm of her father, to the strains of the wedding march, played by Miss Esther Stockton, and took her place under an arch of ever greens and roses.

After the ceremony the guests adjourned to the dining room where dinner was served.

Just the immediate friends of the bride and groom were present. The out-of-town guests being Mr. and Mrs. P. E. Milson, of Calgary, Mr. and Mrs. Fred Moore, of Leader, Sask., and J. W. Crawford, of Medicine Hat, Alta.

The happy couple left by motor for Calgary, where they took the train for Vancouver and other points west. One of the many gifts received was a pair of money from the Irrigation Headquarters staff, where both have been employed for a number of years.

Mrs. Oxley and Miss Sanford attended the teachers' convention held in Calgary last week.

Mr. and Mrs. P. C. Nalanth are receiving congratulations on the birth of a daughter at the Scottish Nursing Home in Calgary, October 24th.

Mr. Watson, caretaker of Medicine Hat, was in Strathmore during the week end to attend the wedding of his sister, Miss Alice Crawford.

The Ladies Aid and members of the Union Church gave a miscellaneous shower on Thursday afternoon to Miss Alice Crawford, a bride-elect, at the home of Mrs. M. Hirtle. Strains of "Here Comes the Bride" were played by Mrs. Hirtle as Miss Crawford arrived and upon being introduced she found awaiting her, a table piled with gifts. The ladies formed a circle, and with the bride in the center, sang: "For she's a Jolly Good Fellow." Miss Crawford received many useful articles.

As each parcel was opened, she read appropriates which contained in same. This pleasant occasion was brought to a successful close by the ladies serving a dainty lunch. Mrs. Gilvin presiding over the tea cups.

Mr. A. Huchillie, of Calgary, was the guest of Mr. and Mrs. Woods, during the weekend.

Mr. Quinn has returned from Seattle and other points, where he spent his vacation.

Mr. Moore, Manager of the Union Bank of Canada, at Leader, Sask., was in Strathmore over the weekend, when he attended the wedding of his sister-in-law, Mrs. Milson (nee Miss Alice Crawford).

Miss Helen Fode, who was critically ill last week, and was operated on for appendicitis and peritonitis last Tuesday, is making a good recovery.

A WORK OF ART

Patience, an artistic eye, and unusual skill in manipulating a small scroll saw—the personal qualities of Michael Moiz, of Los Angeles, Calif.—were responsible for the marvelous wood carving you see pictured above. It is a reproduction, said to be perfect in detail, of the highest towered church edifice in the world—the famous Uin Cathedral on the border between Bavaria and Wurtemberg, in Germany.

Mr. Moiz, who is shown kneeling beside his wonderful model, built it in proportion to the dimensions of the original cathedral. It stands nine feet in height. Scores of visitors to Los Angeles have viewed it and pronounced it as, truly, a wonderful work of art made possible by no small amount of painstaking labor on Mr. Moiz' part.

"MEN'S BETTER WEAR"

Dedication of Strathmore Freemasons' Hall

As the dedication of Strathmore Freemasons' Hall took place last Tuesday evening, we were unable to give more than a brief account of the proceedings in last issue, and many points were not dealt with.

The occasion was an auspicious one in which the Lodge is one of the earliest institutions the Lodge having been formed the same year as the town was incorporated.

Over one hundred Masons, including representatives of Calgary, Rockyford, and Glenora Lodges attended the ceremony of dedication, which was performed most impressively by M. W. The Grand Master, Bro. Horace Reid, of Edmonton, and the officers of Grand Lodge. Included in the company were three Past Grand Masters of the Province of Alberta, these being M. W. Bro. S. Y. Taylor, S. J. Blair, and J. T. McDonald. All three have visited Strathmore Lodge during their term of office, and it was M. W. Bro. McDonald, accompanied by M. W. Bro. Blair, who instituted Strathmore Lodge in 1911.

An interesting ceremony took place in the basement following the dedication ceremony, when a jar, containing a list of the members of Strathmore Lodge, a copy of the folder issued in connection with the dedication ceremony, and the current issue of the Strathmore Standard, was placed in a cavity in the foundation, the hole being afterwards sealed up by the Grand Master.

After the ceremony of sealing the records had been completed, the company adjourned to the dining room of the Memorial Hall, where a sumptuous banquet was set, being presided by Bro. Patterson, with the assistance of a number of the brethren.

Wor. Bro. H. Wood, sitting Master of Strathmore Lodge, made a very efficient toastmaster. The first toast was that of "His Majesty the King" with the usual musical honours. The next toast was that of "Our Grand Master," proposed by R. W. Bro. V. H. Macdonald, Calgary, District Deputy. The Grand Master, in responding, spoke of the pleasure it gave him and the other Grand Lodge officers to per-

form the ceremony of dedicating the fine new building owned by Strathmore Lodge. He wished the Lodge all prosperity in the future.

Grand Lodge Officers

The toast of "Grand Lodge Officers, past and present," was proposed by W. Bro. John Mackenzie, who spoke of the helpfulness to Strathmore of the various officers of Grand Lodge, particularly of the Grand Secretary, M. W. Bro. Taylor. He waxed humorous in describing the feelings of some anticipation 500 years hence, awaiting the jar deposited that evening, and said that if he anticipated finding some of the products being discussed at this date by Alberta Government vendors in the jar, he would find the Strathmore Standard very dry in contrast. Concluding, he said he believed the sacred associations connected with the building would be preserved, now that it was a Masonic Lodge.

The response to this toast was in the hands of our Grand Lodge Officer, Bro. S. Y. Taylor, who spoke first, pointed out the necessity of keeping the high standard of Masonry unimpaired in the new building, by never allowing the building to be used for any purpose which might be considered in any way questionable. He was certain, however, from the past high reputation of Strathmore Lodge, that the building would always be used suitably for the purpose to which it was dedicated.

Masonry and Child Welfare

Bro. J. T. McDonald, who followed, spoke of his first visit to Strathmore, when he instituted the Lodge here in the room above the Hardware Store. He congratulated the Lodge on the progress they had made since. Referring to his work as Judge of the Juvenile Court, he stated in eloquent terms that he believed one of Masonry's strong objects should be to endeavor to preserve a high Christian standard in the home. Recently some fraternal organizations had asked the government to establish reformatory houses throughout the Province. He was not in favor of this. Experience showed that these houses bred crime, rather than improvement. Nothing could take the place of the fine old Scottish custom of family worship.

M. W. Bro. S. J. Blair, and R. W.

School Column

The public school was closed for a full week on account of scarlet fever. The high school grades were allowed to carry on Thursday and Friday. The closing of the school is an unfortunate incident, especially for those who have to write departmental examinations in June. We sincerely hope that the pupils will do their utmost to make up for lost time.

The heartiest sympathy of pupils and teachers goes out to Helen Foote, who underwent an operation for appendicitis in Calgary last week. We wish her a speedy recovery.

Owing to the disorganization caused by the closing of school, the game of football between Strathmore and Carleton Place was not played. It is hoped, however, that both football and basketball teams will play games from the Carleton school at Carleton next Saturday.

The first meeting of the newly organized local of the Alberta Teachers' Alliance was held last Friday in the school house, at 8 p.m. There was a fair attendance. A constitution was adopted, and other routine business enacted. The next meeting will be held in the Carleton school at 6 p.m. Friday, November 21st. At this meeting methods of dealing with the public school course in Citizenship will be discussed. Teachers wishing to join the local should get in touch with Mr. Oliver Reed, Glenora S.D.

Bro. T. F. English, who also responded to the toast, joined in dedicating Strathmore Lodge on their new home, and wished them prosperity in the future. Bro. Blair said that he was certain from his experience of the brethren of Strathmore Lodge, that they would always keep the flag of Masonry unfurled, and preserve in their new home the high traditions of the order.

The Masonic toasts of "Eleven o' the Clock," and "The Junior Warden's Toast," were proposed by Wor. Bro. Harold Bell and Bro. C. S. B. Laid respectively.

"Our Visitors"

The toast of "Our Visitors" was proposed eloquently by Wor. Bro. H. Wood, who said that they were delighted to have so many visitors present, and would be glad to see these brethren visit them in future. Wor. Bro. Judge Davidson, of Calgary, and Bro. C. G. Lewis, of Glenora, responded to this toast, expressing the pleasure it had given the visitors to attend the dedication ceremony.

Wor. Bro. W. E. Brown, Past Master of Strathmore Lodge, now resident in Victoria, B.C., spoke of the pleasure it gave him to attend the old Lodge again. While congratulating the officers of the Lodge on their work, he put in a word for the ordinary members, whose lot it was to sit around the Lodge room or the banquet hall in the capacity of listeners, on their long suffering and capacity for endurance. The ordinary member was the backbone of any organization.

Musical

Songs were rendered in the evening by Bros. Townsend, Utter, C. A. Lyall, and C. G. Lewis. The latter enlivened the proceedings prior to M. W. Bro. Macdonald's address by the singing of "Old MacDonald Had a Farm." The accompaniments were provided by Bro. J. W. Eyles, of Glenora.

The evening closed with the singing of "Auld Lang Syne."

Standard News

We are glad to be able to state that the report published in our issue of October 15th, that Harold, the young son of Mr. and Mrs. Nels Rasmussen, had succumbed to injuries received through falling into a pan of boiling water, was incorrect. Though one-third of the boy's body was very badly scalded and burned after a month's sojourn in Glenora Hospital he was discharged with his burns almost completely healed, and was able to return home on the 15th, (his third birthday). His recovery is largely due to the capable ministrations of the matron in charge, Mrs. A. V. Cooks.

BIG GASER STRUCK

Another big gas well was tapped last week in Southern Alberta, when the Royale No. 4 well in the Turner field, south of Calgary, came in with a flow estimated at between nineteen and twenty million feet.

The fire chief says: "for extra fire precaution everyone should have their chimneys and stoves cleaned before winter comes in."

The committee in charge of the town hall campaign are pleased to report that prospects at present appear most favorable. There is no question about the ability to erect this building provided the enthusiasm exhibited by the great majority of our citizens is supported by reasonable cash contributions.

The committee are starting out to earn this week to secure contributions from the people of the community. Our whole-hearted support should be given to those who are making it a hand to have the hall erected, which is the thing that Rockyford needs most at present. More about this next week.

Knights of Columbus Visit Rockyford

On Sunday last Rockyford was honored by a visit from about one hundred Knights of Columbus and their lady friends from Calgary.

The visitors motored out from the city and arrived at Rockyford in time to attend High Mass at St. Rita's, where Rev. Fr. Boltz welcomed the guests in a thoroughly eloquent manner.

After High Mass and Benediction the visitors were invited to a banquet in the hall of the Catholic Club, prepared for them by the ladies of St. Rita's. The meal was a most delicious and well-decorated for the occasion, and the tables were very tastefully arranged. The services during the banquet would have done credit to any large city hotel, and the meal itself a marvel. After the one hundred and sixty guests present had done full justice to the excellent spread, Mr. J. B. McGuire, on behalf of local Knights of Columbus, and the citizens of our city, welcomed the visitors and then turned the leadership of the party over to Mr. J. T. McGuire, Grand Knight of the Calgary Council of Knights of Columbus.

McGuire, with his jovial Irish wit, made everyone feel very much at home at once. His remarks were followed by short addresses from Rev. Fr. Boltz, and from Rev. Fr. Duggan, of Strathmore Church. Mr. Ed. Thompson, Deputy Chief Commissioner of the Calgary Knights of Columbus, explained the true meaning of our fraternal societies should be, love for our fellow man, whatever his race or religion may be.

Mr. John O'Brien, of Calgary, and John Costello, of Rockyford, gave very witty little addresses. The musical programme consisted of solos by Rev. Fr. Boltz, Esther Williams and Mr. Moss also a beautiful solo by Mrs. Myers, accompanied by Miss Sophie Millard. Vocal selections were rendered by Mr. and Mrs. Joe McGuire. The close of the day was the fancy little dancing given by little Mary Anne Kennedy. When their father, Mr. Joe Kennedy, was asked to explain to the audience from whom they learned to be such artists, in this line, he explained in a demonstration of what he could do himself to the tune of "Turkey in the Straw."

The visitors were very loud in the praises of the wonderful banquet and reception given, and assured us that next year, when we had a larger hall they would be with us again in even larger numbers. The programme ended by all singing the National Anthem after which the Calgary visitors returned by motor to the city.

The deceased was born in County Wicklow, Ireland, December 14, 1841, and came to the United States in 1872. Six years ago he removed to Calgary and resided at St. Rita's, where he made his home with his daughter, Mrs. W. E. Hyman.

Church Union

We are in receipt of a pamphlet from the Bureau of Church Literature and Information, dealing with the question of Church Union. As most readers are aware the general assemblies of the Methodist, Presbyterian and Congregational Churches have decided to unite the three churches. In the case of the Presbyterians, any congregation has the right to vote itself out of the Union, and remain a Presbyterian Church. A number will do so, and there is a possibility that these congregations will unite to form the Presbyterian Church of Canada.

The pamphlet in question is naturally a piece of propaganda designed to bring all the congregations possible into the Union.

Presbyterians regard the Union with mixed feelings. On one hand there is no doubt that there has been a lot of overlapping in Western Canada between the churches which are consuming the Union. Considerable expense will be saved, and unity in effort, other things being equal, usually produces better results than independent effort.

On the other hand, the Presbyterian Church is one of the original churches of the Reformation. Despite what happens in Canada, there will remain, in almost every other country in the world, a Presbyterian Church, and in this way Presbyterians in Canada who go into the United Church lose their identity of interest with the great body of Presbyterians. The two other bodies who are uniting are of later growth. From the time of John Knox many great men have been produced to belong to the Presbyterian Church, and to have the name disappear in Canada will cause regret.

Sentiment plays a great part in religion, and the removal of one of Canada's ancient landmarks is not a thing to be lightly dismissed. The sincerity of those behind the Union movement cannot be questioned, but we hope it will not tend to the establishment of an ecclesiastical hierarchy, a thing repugnant to the spirit of Presbyterianism, and to the genius of the Canadian people.

Trouble in the East

The "Brooks Bulletin" comments on a state of affairs which it designates as "C.P.R. vs. Town," alleged to be developing in Brooks. To quote the "Bulletin":

"Towns children call children of C.P.R. employees 'C.P.R. babies' and vice versa. This has led to a regular war with the result that considerable injury has been done to person and to clothes. Day after day school children are seen taking it out on each other, and sometimes with unfair odds on one side or the other."

We don't believe in attacking in children's quarrels. Certain authorities can correct that state of affairs. Our main point is: Are the children in danger? Are their parents open to parental remarks passed in their presence? We are not pointing a finger at anyone in particular.

The matter is indeed puzzling, but as we have said before the social life of our community could easily become disrupted, and after all about the only thing that makes existence in small towns worth while is the social life of its citizens."

We are glad to say that this state of mind does not prevail in Strathmore, where the C.P.R. employees have always taken an active part in the social life of the community.

"The White Flower" Entrancing Story

An entrancing story of the Hawaii Islands is "The White Flower," a Paramount picture starring Betty Compson, which will be shown at the Memorial Hall Saturday. Miss Compson plays the part of a young, half American, half Hawaiian, girl who is in love with a young American, the pineapple king of the island. Many are the plans which Miss Compson makes for winning the young fellow's love. In fact, she almost does away with his fiancée by the aid of mysterious rites, so great is her love for him. She realizes, however, what she is about to do, and at the crucial moment her real womanhood asserts itself.

The photography, as well as the acting, in the production is excellent. The direction of Julia Crawford Ivers, who also wrote the story, is excellent. One of the many noteworthy scenes in the picture is that showing the crater of the volcano Kilauea. The heart scene is intense.

Personalities On the Press Trip

Article XIII

The Canadian Newspapersmen who journeyed overseas this summer will not soon forget the hospitality accorded them at all stages of their journey. The welcome given could not have been exceeded anywhere. In articles already published we have dealt with some of the prominent personalities such as King George, King Albert, Cardinal Mercier, etc., whom we met, but it was impossible to enumerate all those who contributed their part in making the Canadians feel at home, and showed them around.

In Belgium the hospitality extended to us in Belgium was principally that of the Belgian government, through the king and several of his Ministers, and especially through M. Caudu Joux, of the Belgian railways, and M. Alph. Pons, director of the Press Service of the Belgian government; of the cities of Antwerp, Malines, Brussels, and Liege; and of Cardinal Mercier and his staff. The Canadian Government and Canadian Pacific representative at Antwerp and Brussels were also most kind. M. de Selys, the Belgian Consul-General at Ottawa, had also helped us on from his end.

In France, mainly through the efforts of the French Welcomes Society, we were entertained by the Kuhlmann Chemical Works at Lille, by the Asacbe Bros. at Perenchies; by the Vigneux, Noeux and Drocourt Mining Company at Noeux; by the Chocolaterie establishments in Paris; Senator Pelisse being the guide; by the City of Paris at the Hotel de Ville; by the President of France, M. Doumergue, the first Protestant President France has had, at the Palace Elisee; by the Welcomes Society themselves at Versailles; the luncheon under the portico of the Grand Trianon palace being an honor never before conferred by the French government, who were publicly awarded, by the Welcomes Society also at the Cercle Interallie, where Marshall Poch presided.

In Britain the initiative in organizing hospitalities was in the hands of the Newspaper Society, the Empire Press Union, and the Scottish Daily Newspaper Society.

The handling of the trip itself was in the very capable hands of Messrs Thomas Cook and Sons, the world-famous travel agency. Without the aid of Cook's the party would have been in a hopelessuddle within a couple of days of arrival, for the party spent, with the exception of the stay in London, more than a day in each place. Hotels, meals, railway tickets, baggage etc., were well looked after in advance by Cook's representatives, and the elimination of these details left the party free to make the best of the time. Newspaper people are impetuous, and Cook's representatives had a busy time keeping them abreast of their dates, but they did so, and if ever you see on a sightseeing trip to Europe, don't know the country, and have no friends to visit, travel by Cook's. They will look after you right.

Sir Harry Brittain had a lot to do with the entertainment of the party in London. He is a member of Parliament, and he must be a good one if he handles his constituency as nicely and as tactfully as he handled the Canadian visitors. Ever on hand to clear the way when the programme threatened to run into a snag, he had the heartfelt thanks of all. Sir Harry affords a light grey "topper" and you could always tell he was among those present. By the way, some of our party affected the top hat when in London. A top hat, however, is an article of personal adornment that does not adjust itself to the wearer in a day or even in a week, and some of our party looked to the writer like Scotch Presbyterian elders at the plate on Sunday, or professional pallbearers, rather than the society men who wear a top hat. We have too deep a sense of our limitations. Someone might have mistaken us for a cable. One of the Alberta members wore a stetson, and I believed this appealed to him more than the garb of Old London.

Right Hon. Lord Riddell is a great newspaperman, and a great diplomat to boot. He made a fine impression on the party.

The "Thunderer" through the kindness of Sir Campbell Stuart, Deputy Chairman of the Times office, was in the room through the Times office, in parties of twenty-five each evening. The Times is a

In Batavia, the genuine batik in Peking, matchless mandarin coats, and rare Siberian furs. Japan reveals lovely kimono, ginkgo costumes.

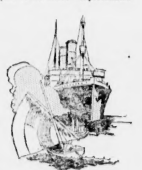

Dancing Round the World

On the Empress of France, the voyagers will have their own crack orchestra. In the gateway ports, they will have shore dances arranged for them at famous hotels and cafes.

Ship Extraordinary

Look up the famous hostesses of the ship. They are of Canadian blood, and are of Canadian Pacific standard, exceptional even among the best. Her engines are oil-burning, which insures cool cleanliness. Lord Resford (the Prince of Wales) chose the Empress of France twice for voyage.

Private Yachting Round the World

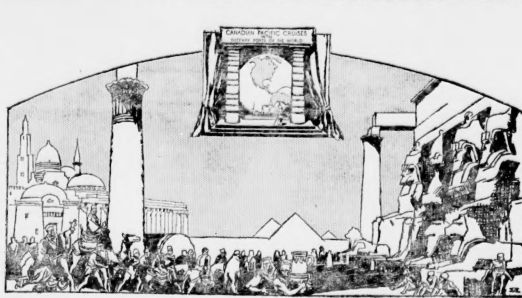

"Private Yachting" is the entire scheme of the cruise. The atmosphere is that of a jolly cruising party. The accommodations are luxurious, homelike. The service has that personal touch, while the ship itself will poke in here, poke in there.

The Citizen of the World

One meets the romantic civilizations of the past—Egypt, India, Japan, China. One meets the most progressive of the world. One sees the monuments, the art, the people of Africa, Europe, Asia, in lands hitherto inaccessible to the citizen of the world.

The party were entertained at Haver Castle by Lord Astor, who has a large interest in the Times, and by Lady Violet Astor. Fond recollections of that visit, which will linger in our memory for a long time. One great English newspaperman,

IT SPANS THE WORLD

FASCINATING PLANNING LITERATURE

You will want to do exactly—on somewhere next winter. Why not make it the cruise extraordinary? It costs no more, per week, than comparable living at a shore resort or hotel. The planning literature is complete, beautiful, and fascinating. There are publications covering every phase of the cruise all available at the Canadian Pacific offices. Just write—"Send me the Gateway Ports of the World Cruise series," addressing—

W. C. CASEY, General Agent,
364, Main St. Winnipeg, Man.

Personal Service—If you wish to have the assistance of an experienced travelman, a representative will call.

The visit to the Port of London docks, and the hospitality extended during that day of wonderful sights, was largely due to Mr. J. H. Small, Director of the Port of London.

Col. Grant Morden, who entertained handsomely at Hatherden Hall, Buckinghamshire, England, is a Canadian who is a British M.P. and a prominent figure in British politics, as is Lord Beaverbrook, another Canadian who has risen high in Old Country politics and newspaper affairs, and assisted in making his fellow-Canadians' stay in London enjoyable.

Among the many others who in various ways assisted to make the London visit the memorable occasion it was: Miss M. F. Billington, Mrs. E. Turner, Fred Armstrong, Valentine Knapp, Lazien Parnau, E. C. Galt, and Sir Geo. MacLaren Brown.

The Scottish visit. In the Scottish visit, described in a previous issue, we made many friends, and among those who contributed to a splendid round of sightseeing and pleasure were The Lord Provost of Edinburgh, Sir Robert Bruce, editor of the Glasgow Herald, Major General Ag. Ag. Ag., Glasgow; Provost McDonald, of Ayr, the newspaper-

men of these cities generally, and various members of the respective Town Councils.

Unfortunately, owing to a bereavement, the writer of the articles which have appeared in the Standard during the past three months, describing the trip, was unable to take in that part of the tour from London through England and Wales, but from our conference we understand that this part of the visit was quite up to the standard of the rest.

punch pie because she
all ways that I am 1
of the nicest and politest
boys she ever knew and
I don't no whether to go

Pa had a few winks and
spilled the evening.
Ma said she got wild that
a young fellow out west had
killed his self on account of
a girl which was a curious
to me. Pa up and says,
Well did she throw him over
or marry him.

Sunday—pa and ma including I and
Jesse went to church this morning
and they was a mass sing a swell solo.
Pa was quoting stanzas and
they was only one man out of ten
who tried to sing songs. Ma
well goodness nuss that stuff.

Monday—Mr. Gillen was all excited
today because he seen a fellow get
a hole in 1 up at the golf link. Pa
said why that's nothing I got a whole in
one. Gillen says when Pa says why
whenever I go to change my socks I
find I got a hole in 3. Then he laffed
and laffed. Ma said to me, I often
wonder whether a stranger would think
he is comical or just dumb.

Tuesday—I don't I was a going to
huff to make heaven make. But just before
school was let out I herd a fork begin
to peep out in front and there was
pa sitting in life waiting to take me
out to hunt wall nuts. Well we had a
strate then pa done all the work pick-
en up and all had to do was climb up
and shake em down.

Wednesday—we that sum of kolls

rain, ma and pa is good weather profits.
when ma says it will rain pa says it
won't. And I of them generally all ways
is right.

Thursday—ma dassent want me to

But even at that he is the one kid
in the class which can play a juice
harp and wiggle his ears. At 1 time.
